

Coronavirus Policy

Dear Valued Clients,

The health and well-being of our team, customers, manufacturers, and community is our highest priority. We continue to monitor the current global health situation with COVID-19 and as a result are proactively preparing and implementing a number of contingency plans to ensure that we keep team members safe, while supporting our customers and business partners.

In an effort to aggressively maintain safety in interactions with others and product handling, we are adjusting the way we support our clients. We are offering free delivery of all products, we are picking and setting aside for in-store pick up, and we are keeping strict cleaning protocols and distancing with a lean staff in place. We are confident that we are doing absolutely everything possible to ensure safe interactions and product handling to help secure the minds and health of all of our clients.

If you would like to place orders remotely, please call (505) 424-0240 (extension 1) or email and a staff member will assist you with any requests you have. All in-stock orders will be delivered same day as long as demand allows, and we look forward to meeting your needs in this unique time.

**Sincerely,
The Chef Link Staff**
